

February 2009 SCA Meeting Minutes

February 19, 2009 @ 7:30 pm

The Stoneybrooke Citizens Association (SCA) held its quarterly meeting on Thursday, February 19, 2009 in the Stone Mansion.

Call to Order

SCA Treasurer, Bernie Tabarini, called the meeting to order at 7:30pm. Twelve residents were in attendance.

New Business

Bernine Tabarini provided an update on the SCA finances. Residents continue to pay their 2008-2009 SCA dues and the SCA finances are very sound. A complete update on the SCA finances will be provided at the next meeting (May 21, 2009).

Don Faxon provided an update on the Neighborhood Watch program. Don noted that he's seen and met a few new dogs in the neighborhood being walked by their owner. He feels a neighborhood with many dogs "walking the beat" helps to keep crime at a low rate.

A resident mentioned that he spoke with one of the workers installing Verizon's FIOS wiring throughout the neighborhood. The worker mentioned that the work they have been doing in this phase is installing the main line wiring that runs through the middle of the neighborhood. The wiring that connects the main line to the homes will not be run until later this year.

A few residents asked about the upgrades taking place at Virginia Hills pool. Since a few residents in attendance were familiar with the upgrades, time was spent at the meeting to discuss this issue. For more information on the upgrades, please see <http://www.vahillspool.org/project.html>.

Although it may be hard to believe, Spring is just around the corner! Bernie mentioned the SCA email system will soon send out a request for volunteers to help put on this year's SCA Spring Fling. As many of you know, the Spring Fling is a chance to get outside and share food and drinks with our Stoneybrooke neighbors. More information will follow in the coming months...

Next Meeting

The next SCA meeting is scheduled for May 21, 2009 at 7:30pm.

Adjournment

The meeting adjourned at 8:45 pm.

Special Thanks

Thanks for Bernie Tabarini who summarized the meeting details over the phone to the deadbeat SCA secretary who was unable to make it to the meeting.
